

Have you ever:

- Wanted to make a difference?
- Thought, I know I should share my faith, but I don't want to be that annoying, pushy person that argues with people?
- Wondered how to help a friend who was hurting?
- Wondered who else believes like you do?
- Wished your faith was as strong at home as it was on that mission trip or camp?
- Thought, there must be more to being a Christian than going to church?

Then PML Retreat is for you!

Peer Ministry Leadership Training Retreat!

Congratulations! If you are being invited to this retreat, it's because someone sees something special in you. You have a gift and there are people in your school, activities, home and community that need you to share it with them. The Peer Ministry Leadership Retreat is for Christian youth to come together to learn how to shine the light of Jesus Christ in a comfortable, natural style—through your relationships.

At this retreat, you will strengthen friendships, gain confidence, eat, play & have a bonfire. You will get training from Lyle Griner of Peer Ministry Leadership. He has trained hundreds of youth in skills for reaching out to friends. Jesus asks us to love the people around us. Peer Ministry teaches us how.

Lyle Griner,
Peer Ministry Leadership
President
