Possible Mission Trip to Argentina

Our mission partner congregation, Cruz Del Sur in Bariloche, Argentina, has invited members of United Lutheran Church to visit them and participate with them in their mission and ministry February 29 – March 8. Their ministry has grown in so many ways since our last visit three years ago. United continues to financially support the mission at Cruz Del Sur with special gifts and tithing of our Building Fund. Lutheran Partners in Global Ministry will help us in the planning. The cost has not yet been determined. If you are interested in this mission trip, contact Pastor Randy.

Milestones

by Steve Timm

“These stones will remind the people of what the Lord has done, so that when your children ask later, saying, ‘What do these stones mean to you?’...these stones shall become a memorial to the sons of Israel forever.”
Joshua 4:6-7

Have you heard of Milestones?

I know it's an old, old trick from Public Speaking 101, but let's go to the dictionary to start.

Milestone:

1. A stone set up beside a road to mark the distance in miles to a particular place.
2. An action or event marking a significant change or stage in development.

I give credit to our congregation's youth director, Lisa Hawe, for introducing us as a congregation to the concept of Milestones in ministry. If a milestone marks a stage in development, then milestone ministry recognizes that people go through stages of development in faith as well. A faith milestone is a

marker along life's journey that says, "This is something important and God is here, too."

We've always had a few important milestones in ministry with children and youth. Baptism and confirmation are two big ones that come to mind, along with first communion. What we've realized, however, is the need for more frequent recognition of God's presence in the lives of our kids. God doesn't just show up once at baptism, again at confirmation, and then down the road at a wedding and a funeral! God is involved regularly, daily, but also in the more common milestones that mark our development along the way to maturity.

This year, our church leadership has developed a way to recognize those milestones even better. Children and youth of every age, from three year olds through high school seniors, will be invited to participate in a faith milestone event at some point during the year. These milestone events are age-appropriate and tied to significant events or transitions, everything from receiving your first Bible to recognizing God's presence in high school graduation.

The elements of these faith milestones are as follows: Naming the sacred and ordinary events in the life of a congregation, as well as in our daily lives; blessing the individual and marking the occasion in a worship service and in the home; gifting with a tangible, visible item that serves as a reminder or symbol of the occasion being marked, as well as a resource for the ongoing nurture of faith in daily life. Thus, for example, we name Bible Sunday as a Milestone for 3rd graders, we bless the class and their Bibles, and we give them not just Bibles but instruction in how to use them. The only change this year is that we will have a similar Milestone event for kids of every age, not just a select few grades.

Parents, keep your eyes open for more information about Milestone ministry. We've already had Bible Sunday, but there are more events like it to come. Students, keep your eyes open as well, and celebrate these milestones for everything they're worth. And to all of the congregation, join us in recognizing and celebrating the markers along the way as our youth and children grow every year in their faith as Christians!

Parish Nurse Ministry

What is Your Heartburn Telling You ?

by Verna Fricke, Parish Nurse

Do you frequently experience a burning sensation in your chest or that sour, bitter taste in the back of your throat? If so, you are one of the 60 million Americans who experience heartburn at least once a month. And for many of you, it is an almost daily occurrence. According to the American Gastroenterology Association, acid reflux is up 67 percent in the last decade.

These tummy troubles can be blamed on stress or an aging population, but experts say the biggest cause is eating too much. Extra weight around the middle is one of the major culprits behind reflux disease. Anything that puts extra pressure on the stomach increases reflux. This condition occurs when the sphincter muscle at the top of the stomach is weak, allowing stomach acid to "backwash" into the esophagus during digestion, leading to heartburn, queasiness, coughing, asthma and even hiccups.

While these conditions are uncomfortable in and of themselves, they can lead to more ominous complications. Chronic heartburn can cause bleeding, ulcers and scarring of the esophagus. This scarring can increase the chances of esophageal cancer, the fastest growing cancer in the country.

If you have symptoms two or more times a week or if you use antacids or anti-reflux medications for two weeks or longer, talk to your doctor. He or she will likely suggest lifestyle changes including:

- *Weight loss*
- *Eating small frequent meals*
- *Avoid eating three hours before bedtime*
- *Stop smoking*
- *Avoid spicy and fried foods, alcohol and caffeine*

While antacids may provide some relief, mint-flavored ones are not recommended. Mint relaxes the valve between the stomach and the esophagus, making the problem worse. Other over-the-counter remedies may be effective, such as proton-pump inhibitors (Prilosec and Prevacid) which block release of acid in the stomach.

Once again, we are reminded that prevention is always the best offense in fighting disease. We have responsibility to care for these bodies that are so wonderfully made! May God bless you in your efforts for a healthy lifestyle.

Living Stewards

For every reason that a person can invent for not estimating giving, there are several better reasons for doing so. Congregations that experience growing incomes and do effective outreach know that estimates of giving are an important factor. Christians who estimate their giving know the need of the giver to grow. Every congregation recognizes its responsibility to help people grow in faith and discipleship. Growth in giving often enables and augments growth in others areas of the Christian life.”

Suffering alone is not God's intent for us. Jesus promises, "Come to me, all you who are weary and burdened, and I will give you rest" (Matthew 11:28). We can receive this promised rest when we turn to one another for comfort and help. In October we will be offering a training session for lay members to be trained to care for those who are weary and burdened. Consider prayerfully if God is calling you to give of your time and compassion for those in need, Contact Bev Dietrich at 388.5793, Pam Roe at 385.7986 or Pastor Steve at 388.3583.
