Requested Support: _____ \$ _____
Request for Fiscal Year: _____

Please respond to the following questions to aid in our application process. Attach Summary.

1. What is the mission and work of your organization?
2. Please provide specific examples or evidence of the positive impact your organization has made in the community or the lives of individuals. How do you measure and evaluate your programs' effectiveness?
3. Please share your organization's latest financial statement or annual report. How do you ensure financial transparency and accountability in the use of donations and grants?
4. Beyond financial support, what opportunities for our congregation exist to engage with your organization, such as volunteers and collaborative projects? How do you work with faith-based organizations or churches?
5. What is your organization's vision or strategic plan for the next 3-5 years? How will our financial support contribute to the sustainability and growth of your programs or projects? What additional work could be done if further funding could be made available?

Our ongoing partnership will require that the organization provide some kind of follow up during the year to outline organizational operations and mission success.
