

Hello United Families!

We are so excited to welcome you and your families back to Sunday School. The theme is "What Would Jesus Do?" and we are covering many of the great stories from the bible. We are very grateful and beyond happy to be in the new spaces of the lower level of the church. Generosity from our church family has provided updated carpet, ceilings, paint and furnishings for us to enjoy and use for our time together. THANK YOU!

Here are the details you need to know:

We start on September 11th this year, with our registration, snacks and games Kick Off Day! Families are welcome to join us.

- Time: 9:15-10:00 am
- Location: Lower level of the Church

This year's format will be:

- PreK through 1st grade will have Music Time on arrival for 15 minutes in the Littles Music Room and then Class Time
- 2nd through 6th grade will have Gathering Time on arrival for 15 minutes in the Youth Room, and then Class Time
- Amanda will be spending time with each class this year on Faith Practices for youth and families. Parents/guardians are welcome to join, see dates on the calendar.

We have special guests, bible lessons and games, arts and crafts, drumming and other fun ways for you and your family to build community and faith here at United Lutheran. We will practice Faith 5 for our Bible lessons. We have a Christmas Program to share again this year too!

Please reach out with any questions any time!
